

There is a mission-field **right here**, in the northeast. Hundreds of thousands of teens go unreached. Now is the time to step up to the call! Join us as we seek to bring the hope to the lost and hurting, disciple young people and transform communities in the name of Christ.

J-Life USA offers you unique, life-changing opportunities to be equipped and to impact youth in a local and international setting.

### Missionary Internship Program: June 1, 2010 – May 31, 2011

Give a year of your life to make a meaningful impact on youth for Christ. Includes intensive summer training and 9-month internship:

- **Deepen your spiritual journey** through Christian community and discipleship while engaging in practical training for life and youth ministry skills.
  - **Go and serve!** You will be placed, as part of a trained ministry team, into a community where you will reach out to youth for Christ and develop a disciple making youth ministry. J-Life USA provides training throughout the service internship and ongoing discipleship and mentoring.
  - **Receive Academic Credit** through your school, or college credit via Lancaster Bible College/New York School of the Bible.
- \***International Mission** to J-Life Africa (Kenya, Zambia, Swaziland or South Africa) is available as part of the program!
